

Submit Assignments for Week 4

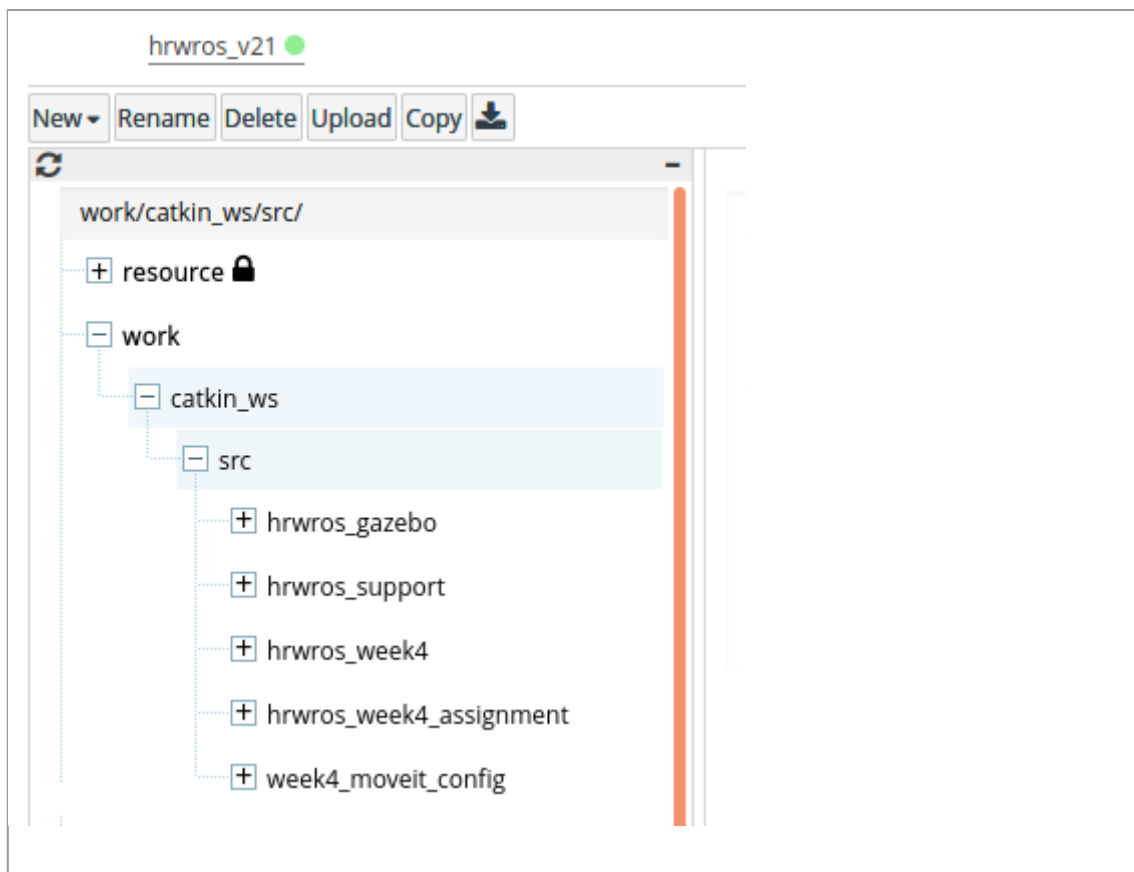

You can submit the assignments of week 4 in the menu below.

- Please submit the ***hrwros_week4_assignments*** as a single .zip file.

Important Note: This weeks .zip file ***must include only*** two packages:

- week4_moveit_config
- hwros_week4_assignment

- Submit the files in the ***catkin_ws/src*** folder.
- After submitting the files, the ***catkin_ws/src*** in the submission environment should look like this

Note: As always, You will have 2 opportunities to submit the assignments.

For detailed instructions on how to submit the assignment, please see the [How to submit an assignment unit](#).
